

Band Drive

Dear Beginning Band Parent(s),

Welcome to the DMS Band program. We are very excited about working with your child this year. On **Wednesday, September 6, 2017**, we will host a band drive. A music store from San Antonio will be here in the **Devine band hall** from **3:30 p.m. to 6:30 p.m.** They will be here to explain how you can obtain the instrument and materials recommended and screened for your child by the band directors. **There is a specific list of instrument brands that we will accept. To avoid any buyer's remorse or financial burden, please seek band director approval for instruments that you may come by outside of this band drive.** The music store will have new and possibly some used instruments with them that day to show to you, and the instruments will be available for rent, rent to own, or purchase. **This is a "come and go"/first come, first served event. You will not need to be here the entire three hours.** If you have any questions feel free to call the band hall at **(830) 851-0864** and ask to speak with one of the band directors.

Thank You,

Jeff Miller
Tom Settles
James Quintero
