

DEVINE INDEPENDENT SCHOOL DISTRICT

IMPROVEMENT PLAN 2022-2023

The purpose of the district improvement plan is to guide district and campus staff in the improvement of student performance for all student groups in order to attain state standards in respect to the student achievement indicators adopted under section 39.053 of the Texas Education Code.

Goals and Objectives Reviewed and Recommended by the Devine ISD DEIC on November
Goals and Objectives approved by the DISD School Board on November 2, 2022

TEA Strategic Priorities and Enablers

Every child, prepared for success in college, a career or the military.

Strategic priorities					
	Recruit, support, retain teachers and principals	Build a foundation of reading and math	Connect high school to career and college	Improve low-performing schools	
	Enablers		Increase transparency, fairness and rigor in district and campus academic and financial performance		
			Ensure compliance, effectively implement legislation and inform policymakers		
		Strengthen organizational foundations (resource efficiency, culture, capabilities, partnerships)			

2022-2023 Comprehensive Needs Assessment and Improvement Plan

DISTRICT GOAL 1: PARENT AND COMMUNITY INVOLVEMENT

Parents and community members will be informed, invested, and involved in supporting the school community to maintain high expectations and high achievement for all students

District Objective A: The district will increase parent and community involvement by including parents and the community in decision-making at the campus and district level.

District Objective B: The district will increase parent and community involvement by providing resources to meet needs and aid families in assisting their students with/ reinforcing instruction.

Data Sources Reviewed: Current TAPR Demographics/ Data, PFE Events, Parent Climate Survey, Instructional Technology Survey, COVID-19 Needs Assessment; Administrative Cabinet Meeting Minutes

Identified Strengths:	Identified Needs:	Identified Root Causes:
Parents/Community feel welcome	Transitioning from involvement to engagement	Lack of understanding
Provide many events throughout the school year	Teach parents how to be engaged, train and give them the tools and information on how to help their child.	
Strong community participation at the involvement level	2022 Staff Survey - Need to increase parent involvement to increase student success.	parents are busy, schedules, transportation
Academically-focused training for parents is provided	2022 Staff Survey - Need to increase parent involvement to increase student success.	
Wifi hotspot access provided for parents, families, and the community in lieu of COVID -19	2022 Staff Survey - Parents lack training regarding the use of Parent Portal, Chromebooks we send home with their students, and at-home or online learning support.	Not offered
2022 Parent Survey - communication and materials for parents noted as perceived overarching areas of strength.		

DISTRICT GOAL 1: PARENT AND COMMUNITY INVOLVEMENT Summary of Needs

Data shows strong parent/community involvement in extracurricular activities. DISD provides opportunities for parent and community engagement including, but not limited to Math and Science Night, Meet the Teacher Night, Open House, Social Media, Book Fair & Family Night, Veteran’s Day Recognition, Family Appreciation Meals, PTOs and booster clubs and more. However, there is still a lack of parent engagement in academic areas (especially in regards to our lower performing students). This is evidenced by a lack of two-way communication between parents and teachers, parent acknowledgment of grades, assignments, homework, etc. Also, difficulty cultivating parent/teacher/student partnerships to support lower performing students weakens this goal. It’s possible that we struggle in parental engagement due to: busy schedules of working parents, lack of understanding regarding parents’ potential roles in their children’s’ academic success, and a parent’s attitude or lack of confidence in their ability to partner with teachers/child due to their own family history, school experiences, or culture. Additionally, campuses were forced to essentially shut parents out during the pandemic; now, a few years after the onset of COVID-19, our parents want to be welcomed back into the schools.

DISTRICT GOAL 1: PARENT AND COMMUNITY INVOLVEMENT DIP Strategies:

**Source/ Progress:
P=progress, NP= No
Progress, C=
Complete**

1 Increase timely communication from campuses to parents, particularly regarding special "days" (dress up or dress down, etc.); Note: School Messenger email is the district's platform for communication with parents; Remind and social media use are also encouraged secondary to School Messenger email. Ensure parents are providing their primary email for School Messenger.

December
Evaluation:

Resources: School Messenger, social media, etc.

Person(s) Responsible: Person(s) Responsible: Campus Administrators

Timeline: August - June;
Evaluation: School Messenger Reports, Parent Surveys

May
Evaluation:

2	<p>Provide parents with training opportunities over Parent Portal, Chromebooks, current strategies and methods used in the classroom, and provide tools and resources to help support their child at both the primary and secondary campuses; *provide parents of students with disabilities with specific trainings, peer supports, and conference attendance targeted to their child's needs and disabilities; encourage teachers, grade levels, departments, and/or campuses to make resources such as teaching videos available online to assist parents to help their students; continue to embed information about how to be engaged with the school and the benefits of parent/family/school partnerships during parent presentations.</p>	December Evaluation:	
Resources: local, Title I, Part A, Title IV, Part A	Person(s) Responsible: Campus Administrators with support from District Administrators	Timeline: August - June; Evaluation: schedules, invites, agendas, sign-in sheets, parent surveys, web resources	May Evaluation:
3	Actively recruit parents to serve on SBDM committees at all campuses.	December Evaluation:	
Resources: administrators, teacher, parents, school messenger, Facebook, etc.	Person(s) Responsible: Person(s) Responsible: Campus Administrators with support from District Administrators	Timeline: August - June; Evaluation: SBDM Sign In, Rosters, Agendas	May Evaluation:
4	Continue to provide Rosetta Stone access to the parents and family members of Emergent Bilingual students as long as licenses are available.	December Evaluation:	
Resources: Title III, Part A Federal Funds	Person(s) Responsible: Director of Federal and Special Programs, Campus Administrators, support from Campus Counselors	Timeline: August - June; Evaluation: license use dashboard Rosetta Stone	May Evaluation:
5	Continue to provide funding, access, supplies, and materials for parent activities to support student learning and opportunities to volunteer.	December Evaluation:	
Resources: Title I, Part A Federal Funds	Person(s) Responsible: Director of Federal Programs, Title I Campus Principals, PFE Coordinator	Timeline: August - June; Evaluation: Sign in sheets for parent visits and volunteering; Food Distribution Volunteer sign in sheets	May Evaluation:
6	Continue to offer parent meetings during varying hours of the day to accommodate a variety of schedules; continue to give parents the option to meet remotely for their convenience, but encourage parents to meet face-to-face whenever possible.	December Evaluation:	

	Google Meet, Zoom	Person(s) Responsible: Campus Principals	Timeline: August - June; Evaluation: Schedules, agendas, sign in sheets and parent meeting logs	May Evaluation:
7	Invite and include parents back onto campuses (post-pandemic) in order to make them feel welcome and included; continue to provide opportunities for parents and community members to be involved and engaged (SBDM, DEIC, Math and Science Night, Meet the Teacher, Open House, Book Fair and Family Night, Veteran's Day Recognition, Family Appreciation Meals, PTOs/booster clubs, Etc.).			December Evaluation:
	Resources: Devine ISD faculty and staff, event-specific supplies and materials, local funds, federal funds	Person(s) Responsible: Campus principals	Timeline: August - June; Evaluation: invites, schedules, sign in sheets and parent meeting logs	May Evaluation:
8	Continue to provide wifi hotspot access for parents, families, and the community in lieu of COVID -19 and/or otherwise; provide technology training and support as needed for parents.			December Evaluation:
	Resources: Local and federal funds	Person(s) Responsible: Director of Technology, Director of Federal Programs	Timeline: August - June; Evaluation: agendas, sign in sheets, invites, schedules, sign in sheets and parent meeting logs	May Evaluation:
9	Continue to increase interactions between staff and parents at pick up and drop off at Title I, Part A Schoolwide Campuses. (PFE)			December Evaluation:
	Resources: Title I, Part A Federal Funds	Person(s) Responsible: Campus Principals	Timeline: August - June; Evaluation: parent and student feedback, campus master schedules	May Evaluation:
10	Continue to partner with the First Baptist Church and the San Antonio Food Bank to support monthly food distributions.			December Evaluation:
	Resources: volunteers, School Messenger, Title I, Part A Federal Funds	Person(s) Responsible: Director of Special Programs	Timeline: August - June; Evaluation: set up and tear down work orders, School Messenger emails, social media posts	May Evaluation:

2022-2023 Comprehensive Needs Assessment and Improvement Plan

DISTRICT GOAL 2: STUDENT ACHIEVEMENT

All students will be encouraged to meet their full educational potential.

District Objective A: mClass, benchmark tests, STAAR-Ready, TELPAS, SAT, ACT, and STAAR/EOC passing percentages for all student groups will meet or exceed the local, state's and/or region's passing percentages.

District Objective B: The district will meet or exceed the state and/or region's percentage of students taking the SAT/ACT.

District Objective C: The district will strive to increase the percentage of students who attain scores on the STAAR that are equivalent to passing scores on the TSI to meet or exceed the state average.

District Objective D: The District will exceed the state drop-out and completion rate based upon TAPR indicators for all student groups.

District Objective E: The District will consistently obtain 96% of students in average daily attendance.

District Objective F: The district will leverage the use of technology in meaningful ways within instructional settings.

District Objective G: The district will provide meaningful, real-world connected learning opportunities for students by offering robust, well-rounded programming.

Data Sources Reviewed: Current practices in Curriculum and Instruction; 2020-2021 TAPR; 2020-2021 RDA; 2021-2022 A-F Accountability, Staff, Student, and Parent Surveys; DEIC Recommendations; Administrative Cabinet Meeting Minutes

Identified Strengths:

Based on the 2020-2021 TAPR Report, DISD students **beat the state in "At Meets Grade Level and Above"** in: 3rd Grade Reading, 5th Grade Reading, 5th Grade Math, 5th Grade Science, 7th Grade Reading; 8th Grade Reading, 8th Grade Math, 8th Grade Science, 8th Grade Social Studies, and US History EOC

Based on the 2020-2021 TAPR Report, DISD students **beat the state in "Masters Grade Level"** in: 3rd Grade Reading, 5th Grade Reading, 5th Grade Math, 5th Grade Science, 7th Grade Reading, 8th Grade Math, 8th Grade Science, 8th Grade Social Studies, and US History EOC

Identified Needs:

Based on the 2020-2021 TAPR Report, DISD students **trailed the state significantly in "At Meets Grade Level and Above"** in 6th Grade Math, 7th Grade Math, and 7th Grade Writing.

Identified Root Causes:

Lack of vertically aligned curriculum framework, common calibrated unit assessment, and backward design of instruction during SY 2020-2021.

2021-2022 Closing The Gaps data show that ELA and Reading targets were either met or came very close to being met in all groups

2021-2022 Results Driven Accountability- SPED US History scores and year-after-exit STAAR scores were high

We encourage students to take recommended or Multi-Disciplinary course-work in order to qualify for Texas Grant Scholarship at the collegiate level.

We provide information on financial assistance (vouchers)for eligible students to take SAT/ACT tests, AP exams, and dual credit.

We provide STAAR remediation, RTI, and small group instruction for students in all groups district-wide who are in need of accelerated instruction.

On-site SAT testing now offered at DHS.

Low drop-out rate

Low SE drop-out rate

High student passing rate on SAT/ACT

2021-2022 Closing The Gaps data show that math targets were were not met in any groups

Intervention programs need refinement at the secondary level to target improvement in learning outcomes for EL, hispanic, and eco dis subgroups in all content areas; this need is emphasized in lieu of the learning gaps that have been caused by the COVID 19 Pandemic.

SPED writing

Disparity in EL, Hispanic, and Eco Dis. Graduation Rates

We have a low percentage of students who are taking the SAT or ACT.

Math Root Causes: Pandemic- loss of exposure to instruction, pause of instrucion. Less math homework being

We need to break down data to ensure we are targeting learners and topics that our efforts will have the most leveraging impact on; teachers need more time for vertical alignment conversations and to analyze data.

Overuse of technology at secondary level; lack of rigor for SPED writing tasks; need to provide scaffolds to assist SPED students to extend thinking and stay on-topic

Graduation Rates: 2020 COVID Shut-Down, lack of parental support/ involvement, financial burdens for students (many need to work to support their families)

Social Media influence sometimes discourages post-secondary education

8th graders lack understanding of HS Pathways

DISTRICT GOAL 2: STUDENT ACHIEVEMENT Summary of Needs

During SY 2020-2021 (Most recent TAPR Data), teachers were doing everything in their power to best serve their students, and they succeeded in assisting students to fill substantial COVID gaps and exceed the state in many categories of performance. Based on the 2020-2021 TAPR Report, DISD students beat the state at "Approaches Grade Level and Above" in 17/22 assessments; 10/22 assessments beat the state at meets or above and 9/22 assessments beat the state at masters. The drops in these ratios indicate that instruction may have tended to be calibrated to the lower levels of thinking. When instruction is calibrated and scaffolded to work students all the way up to the highest levels of thinking, we should see that our students perform higher than the state across these categories consistently and not only in the approaches category. This also correlates with the finding that classroom observations provided in the 2019-2020 Curriculum Audit completed by ESC Region 20- that most students were being engaged at the lower levels of thinking on the day that observations were completed across the district. However, during SY 2020-2021, DISD teachers were not provided with the framework or support they have now. The district adopted and initiated TEKS Resource System as our guaranteed and viable, vertically aligned curriculum framework during SY 2021-2022 and added support for teachers- a district Instructional Specialist- at each major campus. This year, teachers are also calibrating unit assessment to the levels of thinking required by the standards and designing the learning during each unit to ensure those levels of thinking are incorporated into students' learning tasks. As a result of these efforts, we expect to see some improvement in students' assessment results for SY 2021-2022 noted on the TAPR report and even greater improvement in students' assessment results for SY 2022-2023 across content areas. Teachers also need more time for vertical alignment and data analysis in order to continue to improve learning outcomes for students. 2021-2022 Accountability data reveals that DISD students consistently meet or nearly meet learning targets in reading, but consistently do not meet targets in math, specifically in the "Closing the Gaps" domain. This is also true of the state in general. Evidence may suggest that the district needs to continue to support teachers of writing, but shift some additional attention to supporting teachers of math to a greater extent. There is some disparity in graduation rates for EL students, Hispanic students, and Eco. Dis. students. due to the more impactful effect of the COVID shutdown in 2020, difficulty reaching and engaging parents, and students needing to work to support their families in some cases. Students who take the SAT or ACT tend to score well, but the percentage of students in DISD who take these exams is quite low compared to the state average.

**Source/ Progress:
P=progress, NP=
No Progress, C=
Complete**

DISTRICT GOAL 2: STUDENT ACHIEVEMENT DIP Strategies:

1	Mitigate and address learning loss caused by the COVID 19 Pandemic districtwide by providing: robust assessments, supplemental computer programs and instructional supplies and materials, tutoring, and during, after, and summer school accelerated instruction/ evidence-based learning opportunities, vertically-aligned curriculum framework, Instructional Specialists, related training, and teacher support for curriculum and instruction, and by providing additional technology and technology support for staff.	December Evaluation:
	Timeline: August - June; Evaluation: payroll, master schedule, program rosters, sign in sheets, products, feedback from staff and the community, TAPR Person(s) Responsible: Campus Administration, counselors, teachers	May Evaluation:
	Resources: Local and Feeral Funds, teachers	
2	Provide increased academic and career counseling opportunities for students at the secondary levels and specifically target 8th and 9th grade students to ensure they make a smooth transition from middle school to high school.* Increase percent participation of Eco Dis students in classes that prepare students for college, careers, or military programs by creating as many opportunities as possible and by actively informing and recruiting each student into at least one such class or pathway. Provide post-secondary counseling to ensure a smooth transition from high school to college, a career, or the military.*	December Evaluation:

	Resources: Local Funds, teachers and counselors	Person(s) Responsible: Campus Administration, counselors, teachers	Timeline: August - June; Evaluation: presentations, agendas, graduation plans, feedback from staff and the community, increased CCMR indicators	May Evaluation:
3	Increase enrollement of EL, Hispanic, and Eco Dis populations in the HS Career Prep courses to support HS completion by students in these populations who carry financial burdens.			December Evaluation:
	Resources: Local and Feeral Funds, teachers	Person(s) Responsible: Campus Administration, counselors, teachers	Timeline: August - June; Evaluation: products, feedback from staff and the community, student achievement	May Evaluation:
4	Continue to provide PD for working with students who have had traumatic events in their experiences-		Mental Health First Aid.	December Evaluation:
	Resources: Trauma-Informed Classroom Training, local and federal funds, IDEA-B funds	Person(s) Responsible: District and Campus Administrators	Timeline: August - June; Evaluation: Sign in sheets, agnedas, rosters, certificates	May Evaluation:
5	Continue to provide supplemental professional development, programming, supplies, and provide real world learning opportunities for students with disabilities.			December Evaluation:
	Resources: Local and federal funds	Person(s) Responsible: District and campus administration	Timeline: August - June; Evaluation: PD certificates, POs, agendas, rosters, lesson plans	May Evaluation:
6	Identify and implement targeted strategies both district-wide and by campuses, content area teams, departments, grade levels, etc. to move students in all student groups from the Approaches standard on STAAR to the Meets and/or Mastered level; Identify and implement targeted strategies to increase the percentages of Hispanic and educationally disadvantaged students who are meeting state standards.			December Evaluation:
	Resources: Planning time, Instructional Strategy Trainings, instructional coaching	Person(s) Responsible: District and Campus Administration, instructional staff	Timeline: August - June; Evaluation: TRS curriculum implementation (assessments, backward design of instruction frameworks, lesson plans)	May Evaluation:
7	Become a one-to-one student to techological device district, starting with Devine High School; leverage instructional technology, programs, and software selectively to increase and enhance learning experiences and increase staff and students' efficiency and engagement.			December Evaluation:
	Resources: Local and Federal Funds, eRate, leverage opportunities to purchase discounted technology	Person(s) Responsible: Director of Technology, Superintendent, District Administration, Campus Administration, Teachers	Timeline: August - June; Evaluation: Chromebook Check Out Log; staff, student, and parent surveys	May Evaluation:
8	Based on student identification through data analysis and other means, continue to provide STAAR remediation, RTI, ancillary programs, small group instruction, accommodations, modifications, summer accelerated programming, curriculum compacting, project-based learning oportunities, and/or accelerated instruction for students in all groups* district-wide who are in need of these services as needed on an individual basis (dyslexia, 504, at-risk, EL, special education, GT, migrant, minority, eco-dis, etc.), and provide staff development* related to these services as necessary.			December Evaluation:

	Resources: Local, SCE, and Federal Funds	Person(s) Responsible: District and Campus Administration, instructional staff	Timeline: August - June; Evaluation: program useage logs, TAPR, Accountability, lesson plans	May Evaluation:
9	Continue to provide highly-qualified educational aides to increase student achievement by providing academic support to students in both large and small group settings.			December Evaluation:
	Resources: SCE and Title I Federal Funds	Person(s) Responsible: District and Campus Administrators	Timeline: August - June; Evaluation: Staff Rosters, Aide Schedules	May Evaluation:
10	Continue to provide information on financial assistance* (vouchers)for eligible students to take SAT/ACT tests, AP exams, and dual credit; continue to provide on-site SAT testing opportunities, and continue to encourage students to take recommended or Multi-Disciplinary course-work in order to qualify for Texas Grant Scholarships* at the collegiate level.			December Evaluation:
	Resources: voucher sources	Person(s) Responsible: Campus Counselors and Administrators	Timeline: August - June; Evaluation: flyers, announcements, increased number of students testing under vouchers	May Evaluation:
11	Maintain supplemental personnel* and sections in order to reduce the achievement gap between low performing students and all students and/or upgrade the educational program at Title I, Part A Schoolwide Campuses by providing RTI, additional instruction, instructional support, acceleration, supplies, and programs; Continue to utilize Early Ed. Allotment to fund 3-4 FTEs in grades k-3 in order to reduce class sizes.			December Evaluation:
	Resources: Local, State, and Federal Funds (SCE, Title I, Part A); Early Ed Allotment	Person(s) Responsible: Campus Administration with support from District Administration	Timeline: August - June; Evaluation: Supplemental personnel schedules, class counts, budget codes	May Evaluation:
12	Continue to solicit nominations and identify gifted students; provide GT programming and services to identified students in accordance with the Texas Education Code, and document required training for GT teachers across the district.*			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: Federal Programs Director, Campus Administration, counselors, teachers	Timeline: August - June; Evaluation: Nomination Forms, feedback from staff and the community, TAPR	May Evaluation:
13	Continue to provide an alternate educational plan including accelerated instruction for students <i>at risk of dropping out of school</i> .* (PLATO lab, DLC) (SCE)			December Evaluation:
	Resources: Devine Learning Center, PLATO Lab, SCE funds	Person(s) Responsible: Secondary campus administrators	Timeline: August - June; Evaluation: DLC report of students engaging in alternate education plan, increased graduation rates	May Evaluation:
14	Decrease instances of <i>truancy</i> * and increase opportunities for interactions with students and their families to address attendance and dropout challenges. (SCE) Provide creative solutions to increase attendance at each campus.			December Evaluation:
	Resources: DAEP/ DLC Administrator, SCE funds	Person(s) Responsible: DAEP/ DLC Administrator, campus administrators, SRO officer, teachers	Timeline: August - June; Evaluation: PEIMS and TAPR attendance reports	May Evaluation:
14	Mitigate the struggles of homeless children and youth (Mkinney-Vento Homeless Assistance Act)* by providing supplemental supplies, materials, etc. with local and Title I funds set aside to meet the needs of homeless students.			December Evaluation:

2022-2023 Comprehensive Needs Assessment and Improvement Plan

DISTRICT GOAL 3: CURRICULUM AND INSTRUCTION

A well-balanced and appropriate curriculum will be provided to all students.

District Objective A: The district will provide a well-balanced curriculum as defined in TEC. (The foundation curriculum includes English Language Arts, Mathematics, Science, and Social Studies; and the enrichment curriculum includes, to the extent possible: Languages Other Than English, Health, Physical Education, Fine Arts, Economics, Career and Technology Education, and Technology Applications.)

District Objective B: Technology will be implemented and leveraged to increase the effectiveness of student learning, instructional management, staff development, and administration.

Data Sources Reviewed: Current practices in Curriculum and Instruction; Most recent STAAR test administration data; txschools.gov accountability website, Most recent TAPR Demographics/ Data, Campus assessment data, Administrative Cabinet Meeting Minutes, COVID-19 Needs Assessment

Identified Strengths:	Identified Needs:	Identified Root Causes:
Implementation of TEKS Resource System-guaranteed and viable, vertically-aligned curriculum framework that bundles, clarifies, and specifies the TEKS ELAR, SS	Common, calibrated core unit assessments; assessments to include 2/3 DOK 2 and 3 level questions for non-core subjects Math support	See Board Goal 2 Student Achievement Pandemic put students behind across the state and nation; difficult for parents to help their students; See Board Goal 2 Student Achievement
Writing supported across the curriculum	English Learner Support Targeted curriculum and support for students and teachers who are learning and serving under HB 4545	High number of entry-level EL students at secondary; only ELAR teachers have specialized training Difficult for a teacher who may be teaching multiple core subject areas to boil a full year of TEKS down to 30 hours or one semester of accelerated instruction.
CTE- Welding certification, education certification programs; district reimburses certification test expense if student passes	Strengthen CTE Programs of study to ensure a full sequence of courses leading up to an IBC exists in multiple tracks	We have difficulty aligning teacher certifications to programs of study; master scheduling is also difficult to navigate
Strong character education and specials programs at primary campuses		

2022 Staff Survey- students actively engaged throughout the day indicated as an overarching area of strength.

2022 Parent Survey - appropriate curriculum indicated as an overarching area of strength.

2022 Student Survey- Students feel they have the tools and resources to be successful in the classroom noted as an overarching area of strength.

2022 Student Survey- need to increase engaging and interesting learning experiences was noted an overarching area of need. Students noted a perceived overuse of worksheets and the desire for more hand-on, interactive learning experiences and meaningful technology integration into lessons.

2021-2022 was a very challenging year as teachers navigated post-pandemic learning gaps and implemented a new curriculum. With curriculum in place now, the district must strive to continually improve the day-to-day learning experiences of students going forward.

DISTRICT GOAL 3: CURRICULUM AND INSTRUCTION Summary of Needs

The district adopted and initiated TEKS Resource System as our guaranteed and viable, vertically aligned curriculum framework during SY 2021-2022 and added support for teachers- a district Instructional Specialist- at each major campus last year. This year, teachers are also calibrating unit assessment to the levels of thinking required by the standards and designing the learning during each unit to ensure those levels of thinking are incorporated into students' learning tasks. As a result of these efforts, we expect to see some improvement in students' assessment results for SY 2021-2022 and even greater improvement in students' assessment results for SY 2022-2023 across content areas. Teachers also need more time for vertical alignment and data analysis in order to continue to improve learning outcomes for students. Multiple campuses are providing PLC time for teachers to work on designing engaging instruction and meaningful learning experiences for students. 2021-2022 Accountability data reveals that DISD students consistently meet or nearly meet learning targets in reading, but consistently do not meet targets in math, specifically in the "Closing the Gaps" domain. This is also true of the state in general. Evidence may suggest that the district needs to continue to support teachers of writing, but shift some additional attention to supporting teachers of math to a greater extent. The district is undergoing a CTE Audit as we know we can improve in the programs of study and IBC-aligned options we provide students.

DISTRICT GOAL 3: CURRICULUM AND INSTRUCTION DIP Strategies

- 1 Systematically align K-12 core curriculum and unit assessments with DISD's adopted vertically aligned, guaranteed and viable curriculum framework (TEKS Resource System) and the calibrated district assessment checklist. Design meaningful, engaging, interactive, and student-lead learning opportunities for students with the end in mind (backward design).

**Source/ Progress:
P=progress, NP= No
Progress, C=
Complete**

December
Evaluation:

	Resources: Local and Federal Funds	Person(s) Responsible: District Administration	Timeline: August - June; Evaluation: lesson plans, calibrated TRS unit assessments, grade books, observation notes, PLC agendas	May Evaluation: December Evaluation:
2	Provide Professional Learning Community (PLC) time, framework, and learning opportunities for teachers at every campus.			
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August - June; Evaluation: Master schedules, PLC Frameworks, PLC Agendas	May Evaluation:
3	Provide at least 1/2 day of structured vertical alignment time (TRS, data) for math teachers across the district, increase professional development opportunities recommended by and for math teachers, and increase cross-curricular support for math.			
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August - June; Evaluation: PD Calendar, training and PLC agendas, sign in sheets, registration confirmations, certificates	May Evaluation:
4	Ensure that we are providing engaging instruction (via a variety of instructional tools and teaching methods) for our learners. Use technology when it is the "best tool for the job." Increase engagement of students with teacher throughout the class period/ day.			
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August - June; Evaluation: Shared Vision for Instruction, walkthroughs, TTESS Evaluations, PLC Agendas	May Evaluation:
5	Continue accelerated instruction classes or extra instructional time for struggling students; meet all HB 4545 requirements; seek ways to improve accelerated instruction efforts at every level.			
	Resources: State and federal funding	Person(s) Responsible: Campus Administration, instructional staff	Timeline: August - June; Evaluation: Master schedule, SCE budget, hourly timesheets	May Evaluation:
6	Increase instructional leadership, calibration, capacity, and resources; provide Instructional Specialist positions (as recommended through 19-20 Curriculum Audit) to assist staff and increase the capacity of teachers, grade-level leaders, and department heads to monitor, mentor, coach, and support the members of their team for the purpose of advancing student success rates. Increase instances of reinforcing and refining feedback regarding delivery of instruction, lessons, and their impact on student learning and provide curriculum support. This strategy will serve to assist in mitigating learning loss related to the COVID-19 crisis and will benefit DISD students over time.			
				December Evaluation:

	Resources: time, staff, local and federal funds	Person(s) Responsible: Superintendent, Directors of Curriculum and Instruction, Campus Principals, Instructional Specialists, Grade Level and Department Lead Teachers, campus instructional staff	Timeline: August - June; Evaluation: increased instructional focus, PLC & faculty meeting agendas, admin cabinet meeting minutes, Instructional Specialist Menu of Services, master schedule, observation and feedback notes	May Evaluation:
7	Increase top-down buy in. There must be "buy-in" from the administration all the way down the line in order for campuses to make significant gains; increase follow-through by administration to ensure that district curriculum, instruction, and assessment frameworks for vertical alignment are being followed at each campus.			December Evaluation:
	Resources: time	District and campus administration	Timeline: August- June; Evaluation: increase in walkthroughs, meetings and agenda items regarding vertical alignment of instruction and district frameworks for curriculum, instruction, and assessment	May Evaluation:
8	Use DISD Shared Vision for Instruction as the reference for informal instructional coaching/observations/feedback throughout the district. (T-TESS evaluations are more summative in nature.)			December Evaluation:
	Resources: time, input, Local and Federal Funds	Person(s) Responsible: District Administration	Timeline: August- June; Evaluation: shared vision document, mentor/mentee observation debriefing notes	May Evaluation:
9	Increase career readiness* by planning and maintaining CTE programs of study that provide certifications; increase dual-credit opportunities for students; continue to provide supplemental professional development, programming, supplies, and materials to support CTE teachers and courses and provide students access to a robust, well-rounded education; extend information, buy-in, and responsibility for college, career, and military readiness across the district K-12; provide more introductory CTE courses at the MS level.			December Evaluation:
	Resources: local funds, Perkins Federal Funds	Person(s) Responsible: District and Campus Administrators	Timeline: August - June; Evaluation: TAPR; Accountability; master schedule; Programs of Study Available; Student enrollment/ completion of POS.	May Evaluation:
10	*Provide alternative instructional materials, curriculum options and supports, and materials and supplies for students with disabilities based on the unique needs of those students and to supplement behavioral interventions for students with disabilities.			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: Campus and District Administration	Timeline: August - June; Evaluation: PLC Agendas, POs, lesson plans	May Evaluation:
11	Continue supplemental ancillary programs (Rosetta Stone, I-Ready, No Red Ink, Study Island, etc.)			December Evaluation:
	Resources: local, SCE, Federal funds	Person(s) Responsible: District and Campus Administration, instructional staff	Timeline: August - June; Evaluation: usage reports, TAPR, TELPAS	May Evaluation:

12	Continue to enhance primary students' well-rounded education with robust specials and library programming that upgrades the educational experience for all students at Title I, Part A Schoolwide Campuses.			December Evaluation:
	Resources: Local, state, and Title I, Part A Federal Funds	Person(s) Responsible: District and Campus Administration, instructional staff	Timeline: August - June; Evaluation: Master Schedule, lesson plans	May Evaluation:
13	Continue to provide accelerated education options* to high school students who wish to graduate early.			December Evaluation:
	Resources: PLATO Program	Person(s) Responsible: Campus Counselors and Administrators	Timeline: August - June; Evaluation: PLATO log, increased early graduation rate	May Evaluation:

2022-2023 Comprehensive Needs Assessment and Improvement Plan

DISTRICT GOAL 4: QUALIFIED AND EFFECTIVE PERSONNEL

Highly qualified, effective personnel will be recruited, developed, and retained.

District Objective A: The district will ensure the recruitment, development, retention, and support of a exceptional highly qualified staff to optimize student engagement and achievement as well as those unique needs of students with disabilities.

District Objective B: Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.

District Objective C: The district will aggressively improve opportunities for staff development within the district and will continue to utilize a trainer-of- trainers model in staff development.

District Objective D: The district will make continuous progress toward meeting the measurable achievement objectives for teacher quality under ESSA.

District Objective E: Provide staff development which meets state requirements for training in special education, gifted and talented education, technology, ESL, reading academies, conflict resolution, discipline strategies, and behavioral supports.

Data Sources Reviewed: 2019-2020 Curriculum Audit; Current practices in Curriculum and Instruction; Most recent STAAR test administration data; txschools.gov accountability website, Most recent TAPR Demographics/ Data, Campus assessment data, Administrative Cabinet Meeting Minutes

Identified Strengths:	Identified Needs:	Identified Root Causes:
DISD Business Office consistently scores an "A" on the financial accountability report each year	Promote student teaching	District has no connections/ relationships with area colleges
Certification reimbursement and stipends for areas of critical need	Technology PD	The move to distance learning highlighted our need for technology training, specifically over Google Classroom, Google Apps for Education, and Google Chrome Extensions.
New teacher mentor program effectively utilizes peer coaching model	Instructional Specialists	Lack of funding and substitutes to send teachers to PD; don't want to lose instructional time with students
New Employee Orientation is very thorough; Substitute Orientation is very detailed	Training for teachers of newcomer ELs	The majority of teachers who are not required to be ESL certified have not had any training, and many who are now working with newcomer ELs have never had a similar student in the past.

New teacher mentor program effectively utilizes peer coaching model	Incentives for furthering education	Lack of funding
Maintains supplemental personnel in order to reduce the achievement gap between low performing students and all students by providing RTI, instruction, and acceleration in small group settings.	T-TESS implementation	lack of T-TESS calibration across the district
2022 Student Survey- Students feel their teachers have a positive attitude about teaching their classes.	Lack of CTE/ IBC class selection	Teachers lack certifications necessary to provide more CTE/ IBC classes; master schedule conflicts
2022 Student Survey- Students feel that their teachers are confident and knowledgeable about teaching their content.		
2022 Staff Survey- sufficient professional development indicated as an overarching area of strength.		
Training of paraprofessionals		

DISTRICT GOAL 4: QUALIFIED AND EFFECTIVE PERSONNEL Summary of Needs

Although DISD has many strengths related to teacher recruitment, development, and retention- such as a strong new-teacher mentoring program, effective new-employee and sub orientation, and stipends for teachers employed in critical areas of need- there are steps we can take to improve. DISD staff needs, in particular, to ensure we are prepared to recruit teachers and potentially be able to "grow our own." Due to teacher shortages, it will be essential for the district to have strong support available for new teachers, teachers undergoing alternative certification, and teachers who join the district under the District of Innovation Plan. A strong mentor/mentee program, administrative support, and support from the instructional specialist on the campus will be essential. Training geared toward success for special populations, classroom management, instructional technology, and content-specific training is also needed. DISD also needs to invest in content-area and special education training for paraprofessionals so they will have the skills they need to be best leveraged for student success.

DISTRICT GOAL 4: QUALIFIED AND EFFECTIVE PERSONNEL DIP Strategies

**Source/ Progress:
P=progress, NP= No
Progress, C=
Complete**

1	Recognize, facilitate, and encourage the design of meaningful, interactive learning experiences for students incorporating the "best tool for the job"-manipulatives, technology, audio/video, kinesthetic, etc; provide instructional design support from Instructional Specialist/ PLC time to enhance lessons- ex "flip that worksheet!"	December Evaluation:	
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	
		May Evaluation:	

2	Ensure curriculum, instruction, assessment, teacher evaluation systems, etc. are calibrated to meet the rigorous expectations required of the Teacher Incentive Allotment Plan; take steps toward active participation in the TIA program.		December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August- June; Curriculum and instruction plans and frameworks/ PLC artifacts, Teacher lesson plans, evidence of calibration to TRS, TTESS Evaluation Data May Evaluation:
3	Provide whole group and individual training and materials specifically over TEKS Resource System curriculum implementation, instructional leadership and coaching, teaching special populations, teaching reading, differentiating instruction, classroom management, instructional technology, core content-specific training, and CTE and elective content-area-specific professional development that is sustained, intensive, high quality, and of sufficient duration* to have a positive and lasting impact on the teachers' performance in the classroom.		December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: Campus and District Administration	Timeline: August August- June; Evaluation: POs, sign-in sheets, training certificates, documented growth on T-TESS evaluations May Evaluation:
4	Instructional leadership-Train administrators on instructional leadership and vision, T-TESS implementation, value of feedback to teaching staff. Analyze classroom instruction for areas of reinforcement and for areas in need of refinement; provide training aligned with goals; document progress or lack of progress toward goals. Implement T-TESS with fidelity.		December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August- June; Evaluation: certificates, staff surveys, PD plans, observation debrief notes May Evaluation:
5	Recruit, train, and retain personnel who demonstrate the capacity to move the district's vision forward (to maximize students' educational potential to achieve lifetime success); Recruit, train, and retain teachers who are certified in particular areas that can help to expand CTE options and increase opportunities for students to earn IBCs. Provide robust support for new teachers via the Title II Teacher Mentor Program, Instructional Specialists, and strong campus, grade level, and department teams.		December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Campus Administration	Timeline: August- June; TAPR, recruitment activities, master schedules, mentor/ mentee documentation, PLC and campus, department, and grade-level team meeting notes May Evaluation:
6	Promote student teaching participation in the schools. Establish at least one relationship with a local college.		December Evaluation:
	Resources:	Person(s) Responsible: Campus Administration	Timeline: August- June; Evaluation: documentation of increased number of student teachers May Evaluation:
7	Provide incentives and/or reimbursement (whenever possible) for staff who demonstrate excellence in delivering instruction and/or further their education.		December Evaluation:
	Resources: Teacher Incentive Allotment	Person(s) Responsible: District and Campus Administration; TIA Committee	Timeline: August August- June; Evaluation: reimbursement POs, Payroll; Educator of the Year Nominations, nomination emails, and awards May Evaluation:
8	Provide targetted training for paraprofessionals that will increase their capacity to assist all students in core subject areas and maintain highly qualified status.		December Evaluation:

	Resources: local and Federal Funds	Person(s) Responsible: Campus Administration with support from District Administration	Timeline: August- June; Evaluation: sign in sheets, agendas, certificates, TAPR	May Evaluation:
9	*Provide special education and disability-specific trainings to district staff to increase the capacity for student to remain in the Least Restrictive Environment.			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: Certificates	May Evaluation:
10	*Provide professional development to staff on the legal requirements and supports required for students with disabilities in the general education and special education settings.			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: Certificates, contracts with trainers	May Evaluation:
11	*Continue to provide district level personnel to support development, implementation, and provision of special education services;* *continue to provide highly qualified and certified professionals and support services to fulfill the requirements of student Individual Education Plans (IEPs). *Continue to provide qualified and certified assessment professionals to evaluate students and meet the Child Find requirements under the state and federal law; *continue to provide additional highly trained personnel for behavioral supports for students at the campus and classroom level.			December Evaluation:
	Resources: Local, State, and Federal Funds/ IDEA Part B	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation:Personnel records	May Evaluation:
12	Continue to provide stipends in areas of critical need such as Special Education, ESL, math, and science; Continue to provide reimbursement for the ExCET/TEXES test in high needs areas to assist teachers in becoming highly effective; continue to provide new teacher mentor program and stipends for mentors.			December Evaluation:
	Resources: Local and Title II, Part A Federal Funds	Person(s) Responsible: Director of Federal and Special Programs	Timeline: August- June; Evaluation: Documentation of all mentor/ mentee activities, sign in sheets, schedules	May Evaluation:
13	Continue to make supplemental ESL training available to all teachers of English Learners.			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: Campus and District Administration	Timeline: August- June; Evaluation: Timeline: August- June; Evaluation: Emails, sign in sheets, agendas, certificates	May Evaluation:
14	Continue to provide programs, training, and consultants for administrators and teachers that increase their efficiency and effectiveness in administration, instruction, technology, classroom management, etc..			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: contracts, certificates	May Evaluation:
15	Continue to budget heavily to meet professional development needs with Title II, Part A and Title IV, Part A funds; consider transferring remaining funds to Title I at the end of the year if funds remain			December Evaluation:
	Resources: ESSA Federal Funds	Person(s) Responsible: District Administration	Timeline: August- June; registrations, sign in sheets, certificates	May Evaluation:
15	Continue to provide detailed new employee and sub orientations; continue to provide staff development over virtual security.*			December Evaluation:

2022-2023 Comprehensive Needs Assessment and Improvement Plan

DISTRICT GOAL 5: SCHOOL CLIMATE AND DISCIPLINED ENVIRONMENT

The district's campuses will maintain a safe and disciplined environment conducive to student learning and to positive perception in the community.

District Objective A: Establish positive rapport among staff, parents, and community.

District Objective B: Involve all stakeholders including staff, students, parents, and community members in improving district achievement, safety, and facilities.

District Objective C: School campuses will maintain a safe, healthy, and disciplined environment conducive to student learning.

Data Sources Reviewed: Most recent STAAR test administration data; txschools.gov accountability website, staff, student, and parent climate surveys, Most recent TAPR Demographics/ Data, Campus assessment data, Administrative Cabinet Meeting Minutes; PEIMS discipline reports

Identified Strengths:

Wide use of Remind and Facebook utilized by by parents for communication

Most parents feel welcome at campuses and feel they can freely contact teachers and principals.

Most parents feel they communicate easily with teachers.

Most campuses' parents feel their students' educational programs are appropriate.

Most parents feel policies and procedures are clear.

Most parents feel all campuses provide a safe, secure school environment.

SBDMs involve stakeholders to edit CIP

Mental health speakers at secondary campuses, character ed speakers at primary campuses. Bullying prevention, etc.

Identified Needs:

As grade level increases, positive rapport seems to go down.

a streamlined method(vertically aligned) of communication is needed district-wide.

secondary parents feel educational programs are not adequate.

Increase community involvement with stakeholders to increase rapport with students and teachers.

Involve stakeholders in improving district achievement

Increase stakeholder input into improving district safety.

Licensed Professional Counselor

Alternative education program

Identified Root Causes:

Lack of teacher/parent communication and decreased parent involvement as students get older.

a lack of stream-lined method of communication causes confusion among parents and faculty.

leadership directly affects classroom learning environment which affects students' learning

district has minimal programs to involve all stakeholders regarding positive rapport with community

Our school counselors do a great job, but they are not trained to meet some of the mental health needs of students, and they have many responsibilities.

Some students at the secondary level struggle in the regular school setting and are at high risk for dropping out

<p>We educate all students in character building/ mental health and drug and alcohol prevention and awareness and utilize community resources for substance abuse prevention and mental health services.</p>	<p>We need to improve conditions for learning by increasing safety and health measures across the district.</p>	<p>More busses are needed to increase social distancing to mitigate the spread of disease and increase student safety.</p>
<p>Robust Safety and Security Committee membership and community participation</p>	<p>Air quality needs to be improved to ensure student safety and health.</p>	<p>Lack of funding</p>
<p>SRO program/ DAEP/ JJAEP</p>	<p>More playground equipment is needed to spread students out at primary campuses.</p>	<p>Lack of funding</p>
<p>School assemblies, staff development, and on-campus programs leveraged to address bullying, harrassment, and violence issues*</p>	<p>Sub shortage frequently causes need to split classes and absorb students into other classes, particularly at the primary level.</p>	<p>Substitute teachers are hard to find, and we need to provide a higher rate of compensation to be competitive- lack of funding</p>
<p>Strong District Safety and Security Committee</p>	<p>2022 Staff Survey- teachers feel stressed and are struggling to cope with current demands; need more appreciation and stress management support</p>	<p>COVID 19 learning loss, HB 4545, new curriculum</p>
<p>DEIC Reports that DLC seems to be helping a great deal to mitigate attendance issues and dropouts</p>		
<p>2022 Parent Survey - safe environment noted as a perceived overarching area of strength.</p>		

DISTRICT GOAL 5: SCHOOL CLIMATE AND DISCIPLINED ENVIRONMENT Summary of Needs

Participation from parents of secondary students was low on parent surveys. Remind and Facebook seemed to be the most widely used methods by parents of primary students, but parents of secondary students seemed to utilize Remind and School Messenger more. Root Causes: There still seems to be a lack of teacher/parent communication as students rise in grade level, as well as a decrease in parent involvement, as students get older, parents start letting students be more responsible in communicating school news to their parents. A lack of a streamlined method of communication causes confusion among parents and faculty. Some parents feel lack of effective leadership skills affects staff, which in turn affects students' behavioral and academic performances in the classroom. The district lacks programs on positive community rapport and a secure feeling among stakeholders. Families feel that safety is a strength of the district, and the district is very strong in the areas of safety and health, including robust District Safety and Security Committee involvement and follow through. In lieu of the COVID 19 Pandemic, we need to increase air quality to prevent the spread of disease, more playground equipment is needed at primary campuses to spread students out, and more busses, drivers, and bus routes are needed to increase social distancing to mitigate the spread of disease and increase student safety. Furthermore, the current substitute teacher shortage frequently causes the need to split classes and absorb students into other classes, particularly at the primary level. This increases the number of students per classroom square foot and presents very real challenges for social distancing. It also disrupts the learning environment and continuity of instruction for both the displaced students and the classes that accept extra students significantly.

DISTRICT GOAL 5: SCHOOL CLIMATE AND DISCIPLINED ENVIRONMENT DIP Strategies

**Source/ Progress:
P=progress, NP=
No Progress, C=
Complete**

Increase teacher appreciation and community-building opportunities (potlucks, etc.) throughout the year at every campus; provide a listening ear to staff and support teachers who are managing stress; provide stress management support; be supportive of staff members when they have to take time off.	December Evaluation:		
Resources: emotional intelligence, time, creativity	Person(s) Responsible: Campus and District Administration		Timeline: August- June; Evaluation: Campus Teacher Appreciation Plans; Staff Survey
Continue to implement the DISD Guardian Program and continuous guardian training; post signs to warn potential intruders that "staff on our campuses may be armed and will use whatever force is necessary to protect our students."	December Evaluation:		
Resources: local funds	Person(s) Responsible: District Administration		Timeline: August- June; Evaluation: school board evaluates- Guardian roster, training logs, etc.
Increase number of available substitute teachers in the district by continuing to offer sub orientation throughout the year and increase substitute teacher compensation rates as possible in order to avoid disruptions to the learning environment and keep students at appropriate ratios for social distancing.	December Evaluation:		
Resources: local funds	Person(s) Responsible: District Administration		Timeline: August- June; Evaluation: HR reports; Frontline increase in filled absences
At primary, Title I, Part A Schoolwide campuses where funds are combined to upgrade educational programming for all students (CES and DIS), use SCE/Title I funded aides to teach in classrooms that would be without a teacher otherwise due to the sub shortage in order to avoid disruptions to the learning environment and provide students with instructional continuity that would be forfeited otherwise.	December Evaluation:		

	Resources: supplementally-funded aides	Person(s) Responsible: Campus and District Administration	Timeline: August- June; Evaluation: campus reports demonstrate decrease in need to split and combine classes due to sub shortage	May Evaluation:
4	Utilize School Messenger as the primary point from which a parent should be able to receive all important messages; also utilize teacher-to-parent communication systems to disseminate extremely important and/or time-sensitive information.			December Evaluation:
	Resources: School Messenger	Person(s) Responsible: Campus and District Administration	Timeline: August- June; Evaluation: School Messenger Reports, parent surveys	May Evaluation:
7	Recruit community members (particularly those who serve on our district committees) more effectively for improvement in district achievement, safety, and facilities; inquire whether non-district members of committees wish to continue serving from year to year to keep slots filled with active members.			December Evaluation:
	Resources: staff to coordinate	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: committee rosters, agendas, minutes	May Evaluation:
9	Contract an LPC to effectively serve our most vulnerable students and staff and aid, ultimately, in suicide prevention* among other mental health needs and particularly in lieu of the COVID 19 Pandemic.			December Evaluation:
	Resources: ESSER	Person(s) Responsible: District Administration	Timeline: August- June; Evaluation: contract, referrals	May Evaluation:
10	Continue to provide an alternative learning placement for secondary students in need of accelerated instruction*/ credit recovery* who are at the greatest risk of not graduating.			December Evaluation:
	Resources: SCE funds, personnel, space	Person(s) Responsible: District Administration, DLC Principal	Timeline: August- June; Evaluation: decreased drop-out rate; increased graduation rate	May Evaluation:
11	Improve air quality districtwide to prevent, prepare for, and respond to COVID-19			December Evaluation:
	Resources: ESSER	Person(s) Responsible: Superintendent, Transportation Director, CFO	Timeline: August- June; Evaluation: contract, air quality testing results improved	May Evaluation:
12	Increase playground and other equipment (ex:number of stations, kits, machines, etc.) to mitigate the spread of disease and prevent, prepare for, and respond to COVID-19 by increasing social distancing. Include shade for outdoor equipment.			December Evaluation:
	Resources: Local and ESSER	Person(s) Responsible: District Administration	Timeline: August- June; Evaluation: additional playground installed at CES	May Evaluation:
14	Continue district-wide and community wellness policy*, which incorporates an employee and parent component to help emphasize proper nutrition and physical activity. (SHAC)			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District Administration, Director of Student Services, District Nurse	Timeline: August- June; Evaluation: SHAC roster, sign-in sheets, agendas, events	May Evaluation:
16	Continue to follow parent or guardian notification system* in accordance with suicide prevention program* detailed in state health and safety code, and provide information to parents/guardians related to community resources for substance abuse prevention and mental health services.			December Evaluation:
	Resources: email, phone	Person(s) Responsible: Campus Administration with support from District Administration	Timeline: August- June; Evaluation: documentation of contact	May Evaluation:

17	Continue safety training over issues regarding sexual abuse, sex trafficking, and other maltreatment of children*, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim of sexual abuse, sex trafficking, or other maltreatment and available counseling options for students affected by sexual abuse, sex trafficking, or other maltreatment.			December Evaluation:
	Resources: Safe Schools Online Training-local	Person(s) Responsible: Assistant Superintendent	Timeline: August- June; Evaluation: program-issued reports/ certificates	May Evaluation:
18	Continue the SRO program for campus security, <i>violence prevention</i> , and assistance with truancy, and provide violence prevention instruction to students, parents, teachers, administrators and support staff.*			December Evaluation:
	Resources: local	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: contract/MOU, sign-in sheets, agendas, certificates	May Evaluation:
19	Continue to address <i>conflict resolution</i> needs such as bullying and harassment and address social/emotional, health and character education needs of students through school assemblies, staff development, and on-campus programs; provide information on the district website.*			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: District and Campus Administration	Timeline: August- June; Evaluation: PD and assembly schedules; websites	May Evaluation:
20	Continue to educate all students in character building/ mental health and drug and alcohol prevention and awareness, and continue to utilize community resources for substance abuse prevention and mental health services.*			December Evaluation:
	Resources: Local and Federal Funds	Person(s) Responsible: Campus Administration with support from District Administration	Timeline: August- June; Evaluation: posters, program materials, lesson plans, handouts	May Evaluation:
21	Continue to maintain a district Discipline Alternative Education Program as an alternative to or prior to expulsion. (SCE)*			December Evaluation:
	Resources: local and SCE funding	Person(s) Responsible: District Administration, DAEP Principal	Timeline: August- June; Evaluation: placement documentation	May Evaluation:
22	Continue to participate in Atascosa JJAEP as an alternative to expulsion. (SCE)*			December Evaluation:
	Resources: local and SCE funding	Person(s) Responsible: District Administration, DAEP Principal	Timeline: August- June; Evaluation: contract; placement documentation	May Evaluation:
25	*Dating violence is not tolerated in Devine ISD. If dating violence is suspected by a staff member or a student, it must be *reported directly to campus administration. Campus administration will immediately *notify a parent if a report identifies a student as an alleged victim or perpetrator. School personnel must respond to dating violence and sexual violence reports immediately and in a manner consistent with the district's policy. *Guidelines for students who are victims: Campus counselors- conference with the victim and parent/guardian; inform SRO of situation; identify immediate actions that can be taken to increase the victim's safety and ability to participate in school without fear or intimidation; encourage the student to report further incidents; inform the victim of his or her right to request a Stay-Away Agreement or another school-based alternative to a protective order; inform the student and parent/guardian of school and community resources as needed, including their right to file charges or seek legal protection; inform the victim of their right to file a complaint directly to the Title IX Coordinator in the case of sexual harassment; *To the extent possible, campuses will make available to students age-appropriate educational materials on the dangers of dating violence and resources for students seeking help.			December Evaluation:
	Resources: local and federal funding sources	Person(s) Responsible: Campus Administration	Timeline: August- June; Discipline reports; student surveys	May Evaluation:

ADDENDUMS:

Devine ISD Technology Plan 2022-2023

Goal 1: Teaching and Learning

1. Continue to increase access to technology for students, teachers, staff, and administrators in the district.
2. Continue to utilize electronic resources to build and enhance the curriculum.
3. Continue to enhance the delivery of instruction via interactive technology.

Goal 2: Preparation and Professional Development

1. Continue to enhance professional development by providing more training opportunities for all staff members.
2. Continue to provide professional development to ensure staff becomes proficient in technology use.
3. Continue to support administrators, teachers, and students to interchangeably use and manage a collaborative cloud-based environment.

Goal 3: Administration and Instructional Support

1. Continue to develop and implement a budget plan for operational technologies such as hardware, software, services, and professional development.
2. Ensure administrative support is provided to meet all informational needs.
3. Offer the informational and educational technology resources needed to meet the learning requirements of educators, students, and parents.

Goal 4: Infrastructure

1. Provide technology infrastructure to connect all classrooms, libraries, departments, and offices within the district to support and enhance the instructional and technological efforts of students and district staff.
2. Continue to improve the district's computer and network infrastructure to meet the needs of educators, students, and community members.
3. Continue to progress to 1:1 device-to-student ratio district-wide.

Use of Other Resources

In addition to the regular instructional program, the school provides a variety of special programs to meet the needs of all students who attend the school. Some of the special programs include the following:

1. Individuals with Disabilities Education Act (IDEA) – Special Education. This is state and federally funded program designed to meet the special needs of children with disabilities. Only students that have been identified by the Admissions, Review, and Dismissal (ARD) committee can participate in this program. Devine ISD participates in a special education cooperative to provide special services which include a resource room, speech therapy, occupational therapy, physical therapy, a diagnostician, and a counselor.
2. State Compensatory Education (SCE). Funds from this state-funded program are currently being used to fund tutorials to provide accelerated and more individualized instruction to students at risk.
3. ESSA, Title I-Part A, Part A-Devine ISD uses its Title I-Part A funds to implement school wide programs at Ciavarra Elementary and Devine Intermediate. The programs at each campus are designed to upgrade the entire instructional program at the school. The programs provide supplemental reading and math instruction, and are enhanced with special materials, personnel and equipment. The programs also support intensive and sustained professional development and parental involvement.
4. ESSA, Title II-Part A: Teacher and Principal Training and Recruiting Fund – Devine ISD uses these federal funds to create a district-wide teacher mentoring program and to provide professional development activities taking place both on and off its campuses. These funds are also used for personnel to reduce (English) class sizes at Devine Middle School.
5. ESSA, Title III-Part A: English Language Acquisition, Language Enhancement, and Academic Achievement Act – These federal funds are used to support limited English proficient and immigrant children to attain English proficiency, with emphasis on academic proficiency.
6. ESSA, Title IV-Part A: Student Support and Academic Improvement Grant- Intended to improve students' academic achievement by increasing the capacity of districts to: provide all students with access to a well-rounded education; improve school conditions for student learning; and improve the use of technology in order to improve the academic achievement and digital literacy of all students.
7. Career and Technology Education – Computers and software are purchased through the federal career and technology education program at the high school campus. With the assistance of the software, career awareness and guidance are offered to enable students to follow career pathways and learn the skills necessary to be successful in the modern day workplace upon graduation. Funding also pays for program coordination and professional development activities for faculty.
8. English as a Second Language (ESL) – Certified teachers use the ESL methodology in a variety of settings for the limited English proficient (LEP) students identified by the language proficiency assessment committee (LPAC). This funding goes towards providing stipends for ELA teachers who are required to be ESL certified as well as special supplies and materials used to enhance the instruction.

Overview of State Compensatory Education

State Compensatory Education (SCE) is the state's means for addressing the unmet needs of students in "at-risk" situations, i.e., are not functioning at grade level. These funds are to be used to improve and enhance the programs funded under the regular educational program by addressing the needs of students who are at risk of failure and/or of dropping out of school.

Students Eligibility

The Texas Education Code (TEC §29.081) provides criteria for identifying students who are "at risk," that is, those who are eligible to receive the SCE services. As amended by S.B. 702, "student at risk of dropping out of school" includes each student under 21 years of age who:

(1) was not advanced from one grade level to the next for one or more school years;

(2) if the student is in grade 7, 8, 9, 10, 11, or 12, did not maintain an average equivalent to 70 on a scale of 100 in two or more subjects in the foundation curriculum during a semester in the preceding or current school year or is not maintaining such an average in two or more subjects in the foundation curriculum in the current semester;

(3) did not perform satisfactorily on an assessment instrument administered to the student under Subchapter B, Chapter 39, and who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument,;

(4) if the student is in pre-kindergarten, kindergarten, or grade 1, 2, or 3, did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;

(5) is pregnant or is a parent;

(6) has been placed in an alternative education program in accordance with Section 37.006 during the preceding or current school year;

(7) has been expelled in accordance with Section 37.007 during the preceding or current school year;

(8) is currently on parole, probation, deferred prosecution, or other conditional release;

(9) was previously reported through the Public Education Information Management System (PEIMS) to have dropped out of school;

(10) is a student of limited English proficiency, as defined by Section 29.052;

(11) is in the custody or care of the Department of Protective and Regulatory Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;

(12) is homeless, as defined by 42 U.S.C. Section 11302, and its subsequent amendments; or

(13) resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, or foster group home.

In addition to the above list, the local education agency may establish local criteria for identifying students who are at risk. However, the number of students served using local criteria during a school year may not exceed ten percent of the number of students served using state-defined criteria during the preceding school year. Students identified solely under local criteria are not included in the PEIMS count.

Local Criteria: On November 15, 2004, the DISD School Board approved Dyslexia as a local criteria for at-risk according to House Bill 1691 that allows charges to SCE allotment for dyslexia students.

Module 9 of the Financial Accountability System Resource Guide (FASRG) clearly states that the SCE funds "are intended for the primary benefit of students in at-risk situations, as defined in Texas Education Code Section 29.081" [FASRG, §9.2.3.1]. In addition, students who do not meet the criteria in TEC (e.g., those identified solely under local criteria) may receive an incidental benefit. "Incidental inclusion" of students generally means that (1) their inclusion does not increase the cost of the program, and (2) students identified under the TEC criteria are not denied SCE services. In any case, SCE services may not be used to provide services to students identified solely by the local criteria in the absence of students who meet the criteria established in the TEC. The defense of the local criteria and the inclusion of students are the responsibility of Devine ISD.

District SCE Policies and Procedures

The Devine ISD has adopted the following administrative policies and procedures for identifying students:

(1) Students shall be identified as meeting one or more of the at-risk criteria as defined in TEC Section 29.081 annually when that information is accumulated for the Public Education Information Management System (PEIMS).

(2) The district does use one local criteria to identify students in at-risk situations; dyslexia. House Bill 1691 allows charges to SCE allotment for dyslexia students. However, the number of students receiving services under this subsection during a school year may not exceed 10% of the number of students who met the State criteria under Section 29.081 of the Texas education code who receive services from the district during the preceding school year. Dyslexia cannot be used for PEIMS coding as at risk.

(3) Students meeting one or more of at-risk criteria as defined in TEC Section 29.081 will be considered for placement in one or more of the programs and/or services currently being implemented with funds under the State Compensatory Education (SCE) program. Students most in need based on their performance on the various assessment instruments administered by the district, number of years retained, etc., and upon the recommendation of the campus contact, in consultation with the principal and/or appropriate staff, will be entered into a program or service that best addresses their individual needs. **In lieu of the COVID 19 crisis and the offering of remote learning and in alignment with state rules for SCE in lieu of COVID-19, primary school-aged children who do not engage in BOY testing will be identified as at-risk as necessary and appropriate.**

(4) Students who demonstrate sustained success in mastering the success criteria defined in the summative evaluation for the SCE program and/or service to which they have been assigned may be exited from the program and/or service upon the recommendation of the campus contact and/or appropriate staff.

(5) The district has established staffing ratios and financial allocation standards for basic education programs to ensure that all SCE-funded activities are supplemental. Devine ISD uses all SCE funds to supplement services beyond those offered through the regular education program, as per state guidelines to provide base services at the DAEP. Staffing ratio standards for Grade 5 is 25 to 1 and for the secondary campuses, 28 to 1.

(6) Devine ISD combines its SCE funding with Title I-Part A School wide funding on two campuses: Ciavarra Elementary and Devine Intermediate. Devine Middle School—and Devine High School are not a Title I-Part A campuses. According to interpretations of Senate Bill 702 by the Texas Education Agency, a campus using SCE funds to support a Title I-Part A school wide program (on a campus with over 40% students from low-income families) is *not* responsible for meeting the intent and purpose of SCE; or for providing supplemental services to children identified as at risk of dropping out of school under the state at-risk criteria; or for reporting supplemental SCE FTEs in the CIP; or for implementing the policies and procedures required under SCE; or for evaluating the SCE program.

When using SCE funds to support a Title I-Part A school wide program, the SCE funds are monitored according to the audit requirements and the rules and regulations that govern the Title I-Part A, Part A school wide program. Combining SCE funds on a school wide campus allows schools to address needs in an integrated way and relieves schools from the burden of documenting that a specific program dollar was expended for a specific program activity. In other words, the SCE funds lose their “program” identity. However, the SCE funds do NOT lose their “fiscal” identity, and these funds are not fiscally combined with Title I-Part A, Part A for accounting and reporting purposes. SCE expenditures must be tracked back to the SCE fund code, and all generally accepted accounting principles must be followed.

Devine ISD conducts an annual needs assessment to identify students who have not made, or are not making satisfactory academic progress and students with non-academic problems that may inhibit academic success. This information is used to set priorities and goals, to allocate available financial and support resources, and to determine whether the redirection of the SCE programs and services is needed.

Campus-Level SCE Services 2022-2023

Based upon students' qualifying criteria, the following tables outline each campus specific service funded by State Compensatory dollars. As additional students are identified and student needs are determined, additional services may be added, and others may be modified or deleted.

John J. Ciavarra Elementary School

Objective: To have 90 percent of all students disaggregated by ethnicity, gender and income pass all parts of the STAAR.					
Strategy/Activity	Resources	Staff Responsible	Timeline & SW Component	Formative Evaluation	Summative
<p>Instruction and Intervention K-2nd- Provide early reading intervention to low-achieving students by offering an alternative to traditional reading practices for Eco. Dis/LEP/Special Ed/struggling readers. PreK-2nd-Implement and monitor effective reading, math, writing, and oral language instruction and intervention strategies for at-risk student performance to ensure increase student performance.</p>	Certified Interventionist- 2 (1.9 FTEs) Instructional aides- 3 (3 FTEs) Total-\$146,880	Principal Interventionist Spec. Prog. Director Counselor Director of Student Services	August 2022 - July 2023 SW Comp-2, 3	Teacher test Grade reports Progress monitoring Running records Lesson plans Grade Reports At Risk List	Achieve "Developed" status on MCLASS ITBS Performance Meet or exceed STAAR Ready
<p>Dyslexia (Grade 1 and 2) – Provide dyslexia intervention for dyslexic students using Reading by Design, and Tier II and Tier III reading interventions.</p>	\$3,600	Principal Reading Interventionist	August 2022 - July 2022 SW Comp-2, 9	DRA Reports MCLASS Reports Classroom Assessments	Reading/ELA grades List of exited students
<p>Reading/Math-STAAR Materials and Software - Augment core curricula instruction by using STAAR materials to help students achieve STAAR objectives and provide supplemental instruction to students in need of assistance in reading and math.</p>	Instructional and software supplies	Principal Teachers Technology Aides	August 2022 - July 2022 SW Comp-2, 9	Teacher test Grade cards STAAR Ready results	Passing applicable component of STAAR in 3 rd grade
<p>*HOMEBOUND-Provide homebound academic instruction to identified students as appropriate.</p>	Certified teachers \$1,500	Principal	August 2022 - July 2022 SW Comp-2, 9	Tests and quizzes provided by classroom teacher. Grade card	Passing grades Promotion

Objective: To have 90 percent of all students disaggregated by ethnicity, gender and income pass all parts of the STAAR.

Strategy/Activity	Resources	Staff Responsible	Timeline & SW Component	Formative Evaluation	Summative
Tutorials- Provide in-school or after-school tutorials for students not meeting objective/standard in order to reduce the gap between “all students” (EcoDis/LEP/Sped).	Certified teachers	Principal, Teachers	August 2022 - July 2022 SW Comp-2, 9	Benchmarks Teacher tests Grade reports	Passing applicable component of STAAR Ready
